ii) All fees paid are **NON-REFUNDABLE**.

## **SUPPLEMENTARY FEE & OTHER CHARGES**

3. All RGS pupils are required to pay supplementary fee & other charges ranging from \$500 to \$700 per annum for different levels. This is to cover the high operating costs which stem from air-con classrooms, special rooms and increased utility charges. It also covers items such as student protection plan, school annual book, newsletters, publications, orientation package & camp (Sec 1 only), etc. Payment of the supplementary fee & other charges/fees (like fees for enrichment and self-improvement programmes and activities etc) as well as school fees shall be made via Interbank GIRO in accordance to the GIRO deduction schedule.

## **INFORMATION ON PAYMENT**

4. Payment of all fees through Interbank GIRO is **mandatory**. This is to relieve teachers from the task of fees collections so that more time could be devoted to academic work.

5. Parents/guardians are advised to ensure that sufficient funds are available in their bank account on the deduction dates. If the GIRO deduction is unsuccessful, the outstanding fees will have to be settled by cash, cheque or fund transfer via internet banking together with an administrative charge of \$12. The administrative charge will be imposed monthly if payment is not made on due date.
